Master of Science (M.Sc.) in Periodontology

Course Concept

The course offers dentists the opportunity to become highly qualified specialists in the area of periodontology.

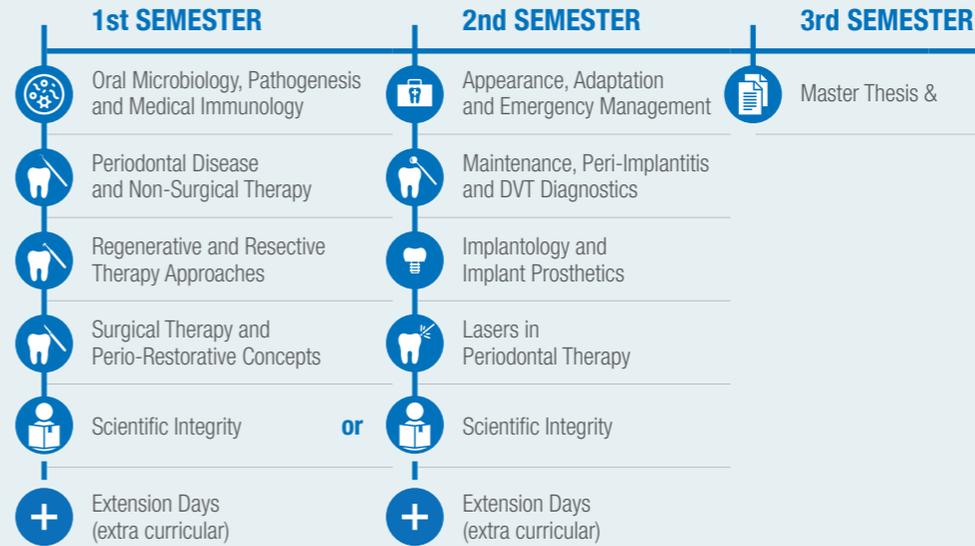

- ▶ Extra-occupational
- ▶ Digital teaching & learning
- ▶ Academic & practical training
- ▶ Blended learning concept
- ▶ Short attendance blocks
- ▶ Limited time away from home & work

” At RWTH Aachen University, you will find the best opportunities for a master program in periodontology on the basis of excellent technical prerequisites and supported in many aspects by technical aids for the implementation of patient-oriented treatment measures. We look forward to welcoming you – Take the step towards modern and future-oriented periodontology! Become part of the team – here in Aachen, Germany. “

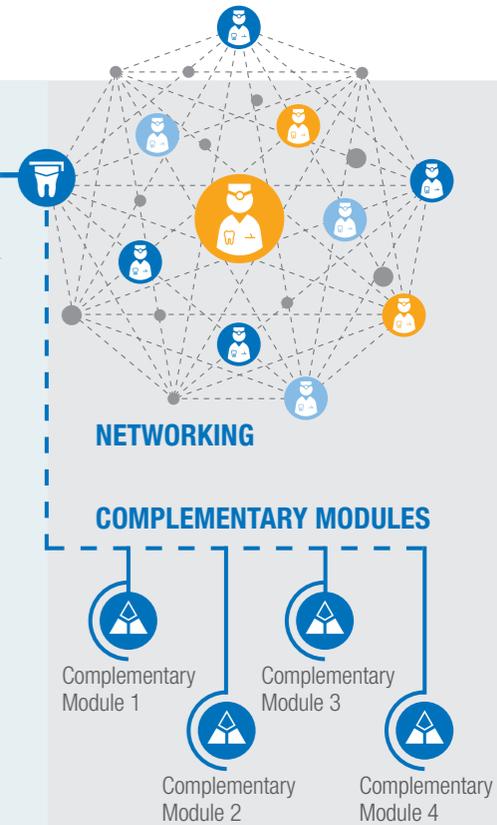

Scientific Director of the M.Sc. Periodontology
 Univ.-Prof. Dr. med. dent. Andreas Braun
 Clinic for Operative Dentistry, Periodontology and
 Preventive Dentistry of the University Hospital Aachen
